WORSHIP

Handicap Seating at Masses

We ask that everyone please reserve the handicap seating for those using walkers and wheelchairs who will need Communion brought to them at their seat. If you are handicapped and end up sitting farther down the aisle, please try to sit at the end of a pew and inform an usher during the Communion procession that you will need a Eucharistic Minister to bring Communion to you.

Vocation View: 4th Sunday in Ordinary Time

How blest with happiness are those who know they need God. Blest too are those who respond to God's invitation to announce His Good News as a priest, brother, or sister. If you think God is calling you to a Church vocation, call Rev. Joshua Johnson at (225) 336-8778.

PARISH ACTIVITY CENTER

Construction Update January 24, 2023

Firmin Construction and their subcontractors have been making fantastic progress with the construction of the building. As always with Firmin Construction, the quality of work is top notch.

Foundation for the building and the pavilion was completed in November. The main structural steel framing was erected just before Christmas.

The open-web steel bar joists for the roof framing and roof deck were delivered to the site last week and are being erected this week.

Cold-formed steel wall stud framing has been delivered to the site. Erection will begin as soon as the bar joists and deck are installed on the roof.

Underground utilities have been installed from the building to the point of supply by the utility company with the exception of water, for which Parish Water Company just finished installing the main line under Old Greenwell Springs Road last week.

Approximately half of the concrete paving for the parking lot has been placed.

Barring significant weather delays or material delivery delays that are currently not anticipated, construction will be completed well within the one-year time frame of the construction contract.
