## Saints Who Promoted Eucharistic Adoration

### St. Arnold Janssen (1837-1909) Feast: January 15

St. Arnold was of German and Dutch descent. His spiritual formation was focused on love and veneration of the Blessed Sacrament.

His initial assignment as a priest was to teach science and mathematics; however, he developed a deep concern for the universal mission of the church. He resigned from his post and began his missionary work in Germany. At that time, the political climate of Germany was not interested in Catholic missionaries, so he moved his efforts to China and other areas of the Far East. During this time, St. Arnold founded several missionary groups to help expand his mission.

Additionally, he was responsible for the formation of a group called the "Servants of the Holy Spirit of Perpetual Adoration."

He was well known for his unshakeable trust in God.

*"Prayer is the key to all things. Without it, we can accomplish nothing." - St. Arnold Janssen*

## ***National Natural Family Planning Awareness Week - July 23-29, 2023***

God designed marriage as an "intimate partnership of life and love" (see *Gaudium et spes*, no. 48). In God's design, marriage is a unique union of one man with one woman "for the whole of life" (see Canon 1055, *The Code of Canon Law*). Marriage is oriented to the good of the spouses and to the creation and nurture of new human life (see *Gaudium et spes*, no. 48). Making decisions about when and how many children to have in marriage is a sacred responsibility that God has entrusted to husband and wife. This is the foundation of what the Church calls, "Responsible Parenthood," the call to discern God's will for your marriage while respecting His design for life and love.

The Catholic Church supports the methods of Natural Family Planning (NFP) because they respect God's design for married love. In fact, NFP represents the only authentic approach to family planning available to husbands and wives because these methods can be used to both attempt or avoid pregnancy. It is important to know that:

- Natural Family Planning is an umbrella term for certain methods used to achieve and avoid conception. These methods are based on the observation of the naturally occurring signs and symptoms of the fertile and infertile phases of a woman's menstrual cycle. Some natural methods include use of fertility monitors to better understand the time of the wife's fertility. Married couples using NFP to postpone conception abstain from intercourse during the fertile phase of the wife's cycle. No drugs, devices, or surgical procedures are used to avoid pregnancy. Married couples who use NFP to attempt a pregnancy make use of the fertile window - the optimum time when conception is likely.

- NFP reflects the dignity of the human person within the context of marriage and family life, promotes openness to life, and recognizes the value of the child. By respecting the love-giving and life-giving natures of marriage, NFP can enrich the bond between husband and wife. (Standards for Diocesan Natural Family Planning Ministry, p. 23)

The dates of National Natural Family Planning Awareness Week highlight the anniversary of the papal encyclical *Humanae vitae* (July 25), which articulates Catholic beliefs about human sexuality, married love, and responsible parenthood. The dates also mark the feast of Saints Joachim and Anne (July 26), the parents of the Blessed Mother.

### Grow in Faith through a Bible Study

We are never too old to learn or begin something new. St. Alphonsus offers many opportunities to help you grow in faith. Joining a Bible Study will develop a deeper faith and understanding of God's word and will have a lasting impact on your life.

**"Bible Study is a great way to learn about our faith. I took A Biblical Walk Through the Mass by Dr. Edward Sri. This was my first time doing a Bible study, and I've learned so much from that class. It feels different in Mass now, I notice more. I see why it is important. I see how it is biblical. I'm excited to see what I'll learn in this class!"**

- Joseph Scarbrough

**"Studying the Bible has empowered me. I am no longer afraid to talk about religion with others, now that I have such a better understanding of the Church, scripture, and how it relates to our lives today."**

- Joette Taylor
