**Thanks for a wonderful festival  
and have a blessed Mother's Day**

*By Fr. Mike Moroney*

It was so inspiring to see the dedication and hard work of our parish family during the April 27-29 weekend, which made a wonderful time and an outstanding festival. I am being told that this festival was our largest ever, earning roughly \$228,661.39. The festival combined with our auction, which is part one of our Festival of Two Rivers that brought in \$186,913.50, totaled approximately \$414,574.89. Special thanks to our first chair Tiger Kusch and Ena Aucoin, second chair Richard Venable and Tommy Arceneaux, and third chair Kevin and Shannon Tate. You all did a fantastic job. To list names beyond this would mean leaving out so many, but I am most grateful for your leadership, talent and organizational skills. The generosity of your time is just fantastic.

I also wish all the mothers of our parish a very special Mother's Day, and we keep all mothers, both living and deceased, in our prayers. Take some time this weekend to do something special for your mom, to thank her and to pray for the blessing of having her in your life.

The next couple of weeks are special for so many of our young people graduating from our schools. It is a real joy to work with our eighth graders who will graduate from St. Alphonsus School. Over the past few years, I have had the wonderful opportunity to have them over for lunch at the rectory more than once to talk with them about vocations and to get to know them in small groups. I am very grateful to the school administration and Jeannine and Tony Cockerham for all their help with this program. This is a very talented class, and I know that they will do very well. We wish them all the best as we do for all the students graduating from Central High, as well as other area high schools.

Life is full of opportunities for each of us, many of which we never notice. Each day we will face situations where we can truly make a difference in other people's lives. St. Paul tells us we are God's gift; what we do with it is our gift back to God. Yes, life can have many obstacles, which can get in the way when we take our eyes off of our goals and forget our ability to make a difference by doing the right thing.

When I have the opportunity to speak to graduates, I always mention to them not to get caught up in jealousy about others because it is never ending. For each person, it can be a distraction that goes on forever within our families, our schools, and our work. Sometimes we get trapped in it and lose sight of who we are. We human beings have a difficult time remembering the compliments and forgetting the insults.

Many years ago, Henry Ford said, "Don't find the fault; find the remedy."

Much is spoken today about success in life, business, family, politics, community, etc. The drive for success is a great thing. It motivates us, many times it challenges us to be the very best versions of ourselves. However, in our world some can see success as something that must be acquired at any cost. In becoming a successful person, we must always be a person of value and character who cares for those who are part of that journey with us- co-workers, partners in business, spouses and family. Nothing should allow any of us to let go of our sense of integrity. God bless all of our graduates, and have a great week.

*Fr. Mike*
