Lectio Peter: Cornerstone of Catholicism

The character of St. Peter is both inspiring and confounding to many of us. How could a stubborn and impulsive fisherman become the "rock" upon which Jesus would build his Church? Bringing together biblical accounts, historical evidence, Church teaching, classical art, and personal insights, Dr. Tim Gray gives a fresh perspective on Simon Peter that is immediately informative and relevant to our lives. After all, if Jesus could bring out the very best in someone like Peter, then there is hope for the rest of us.

Hebrews The New and Eternal Covenant: Embark on a guided tour of the "Holy of Holies" of biblical theology. The book of Hebrews is like a little *Catechism*. It is steeped in rich truths that are foundational to our Catholic Faith, but its highly refined theological concepts can be difficult for even the most seasoned Bible scholars to unpack.

Presented by Andrew Swafford and Jeff Cavins, *Hebrews: The New and Eternal Covenant* draws out the riches of this sublime book in a way that makes them easier to understand. It draws connections between the Old and New Testaments, the Liturgy, the Eucharist, the priesthood, and so much more. Most importantly, *Hebrews* will help Catholics appreciate the astounding generosity of God as they see the wonders he has given us in the Church.
