Divine Mercy Novena

Join us in praying the Divine Mercy Novena each Wednesday at 6 PM in the church during the Lenten season. Our Lord said, "Through the chaplet, you will obtain everything, if what you ask for is compatible with my will."

Featured Saint of the Week

St. Thorlak Thorhallsson (1153-1193) Feast Day: 12/23

St. Thorlak was born into a poor agrarian family, and lived his entire life in Iceland. He dedicated his life to God at a young age.

Thorlak was ordained a deacon before the age of fifteen, and a priest at eighteen. He was sent to France for additional education, where he focused on both the Rule of Augustine and canon law. He lived in a monastery while in France, and came to enjoy the solitary life.

After completing his formal education, St. Thorlak returned to Iceland, where he had hoped to fade into a quiet, monastic life, but God had other plans for him. Thorlak was appointed Bishop of Skalholt.

St. Thorlak was a pillar of stability in an age where many clerics were lax and careless. Being Bishop, he was asked to address clerical reform, starting with stricter adherence to the Augustinian Rule. He also worked tirelessly to limit simony, clerical incontinency, and lay patronage.

Five years after his death, Iceland declared Thorlak the patron saint of their country and its first native saint. In 1984, Pope St. John Paul II added St. Thorlak to the church's official liturgical calendar.

In addition to being the patron saint of Iceland, in recent years St. Thorlak was also named the patron saint of those with autism.
