

WALKING WITH MOMS IN NEED

A nationwide prolife ministry

Walking with Moms in Need is a nationwide initiative that is part of the Diocese of Baton Rouge's Respect Life ministry. St. Alphonus parish's Walking With Moms in Need ministry's purpose is to increase the outreach, support and access to local resources for pregnant and parenting mothers of infants to preschoolers. The needs of pregnant and parenting moms can be overwhelming, and the sources of help may not be apparent to those most in need of support. We are here to support you, we understand that your emotions and challenges are real.

Please don't hesitate to contact us! Everything you share with us remains confidential.

We wish to show you the love and compassion of Christ in all that we do.
